**Please note about the Practice schedule above:** Generally, we try to have practices about every other week, however, please note the times when we practice two weeks in a row or are off two weeks in a row.

Thank you to all of the parents and families of choir members for supporting your student's participation in the Mary Mother Children's Choir. Thank you students for your continued contribution to our parish liturgies --- our parish community really appreciates your efforts.

Parents, thanks for all you do to have your student present and on time for rehearsals and Masses. As always, please let me know if a choir member is not going to be with the group on scheduled days. I look forward to working with your students during these coming weeks.

God Bless You All - Ken Barnes
