

### **Concessions Deposit Policy**

MMOC Athletics has adopted a mandatory deposit policy for scheduling parents to work concessions. Parents are required to work one concession stand shift for each sport in which your child participates. At registration for each sport, the parent(s) writes a check for \$125.00 to MMOC and are assigned a date to work a shift at concessions. Your check is returned to you when you complete your shift. If you fail to work your assigned shift your check will be cashed. Team managers are exempt from concession duty.

### **MMOC Uniform Deposit Policy**

MMOC uniform policy is as follows: This policy will apply to ALL MMOC team uniforms except to Tee ball and K-2 basketball t-shirts.

At registration, have a \$50 check for EACH MMOC uniform (may combine multiple children). This check will be held (NOT CASHED) until after the "Uniform Pick up Date(s)". Your check will NOT be cashed if the uniform(s) is returned by the last designated uniform return date for your sport.

There will be multiple dates/times for the return of the uniforms for each sport. For Distribution and Pick Up Dates: See "Upcoming Events"

After the last uniform return date for that sport, all remaining deposit checks for uniforms not returned will be cashed. NO EXCEPTIONS. Please understand we just want the uniform back. If we cash your check, you own the uniform.

Thank you for your cooperation.
