

Evangelization Commission

June 2009

The Evangelization Commission met on Wednesday, June 17. Those in attendance included Mary Lou Peters, Glen Waekerle, Bob Carroll, Msgr Telthorst, and Mary Jo Masterson.

The members introduced themselves to Father T and welcomed him to the meeting. Glen shared his plans for the cabinet he will build for the chapel. He will review them with Father T before he begins construction.

Mary Lou and Mary Jo will meet soon to schedule visits for parishioners registered in April and May (six families). Bob shared information on Alpha. We have almost 400 graduates from the MMOC program. The next session is scheduled to begin in September, this time on a Tuesday. Bob may need help in recruiting full membership. He will come back to the commission later in the fall to discuss the viability of the program.

There will be no meeting in July. The next commission meeting will be the third Wednesday in August.
