

Evangelization Commission

March 18, 2009

The Evangelization Commission met on Wednesday, March 18. Those attending included Mary Lou Peters, Don Sims, Glenn Waekerle, Chris Maurer, Fr. Ed, and Mary Jo Masterson. There was follow-up discussion of The Journey of St. Paul. There has been a lot of positive feedback about the show. The theater group would like to return with another production. We will discuss with the Liturgy Commission about the possibility of scheduling something next year during Lent.

Mary Jo shared information from an article on evangelizing parishes in the current St. Anthony's Messenger. The group brainstormed ways to broaden membership and activities at MMOC. Alpha and Acts are going strong. There are five follow-up groups from Alpha, who continue to meet once a month. We may want to publicize this and possibly begin a new group. We should facilitate interaction between the Alpha and Acts programs.

Glenn will begin soon on the library shelves/cabinet for the chapel. Fr. Ed and Mary Jo will collect Bob Rumping's materials to share with parishioners. Mary Lou reported on new parishioner visits. She relays pertinent information to Charlotte.

Because of a change in the date for May Parish Council, the Evangelization Commission will meet on May 13. The April meeting will be on the 15th.
