Mary Mother of the Church

Volume 34 Issue 1

February, 2010

FROM YOUR PASTOR

*Fr. Jim Telthorst 894-1373
jamestelthorst@gmail.com*

Dear Parishioners of Mary, Mother of the Church,

I pray you enjoyed the blessings of this past holy season, celebrating the birth of Jesus and his baptism as well! Like gifts around the Christmas tree, you may have observed some new items in our church vestibules. They are two large bookcases, the work of one very talented and generous parishioner. Their purpose is to provide some attractive places on which, in which and above which our various parish commissions and ministries can place signs, posters and registration forms or handouts! The shelves will be available for other handout materials or for decorative baskets for collecting various requested items. Our plan is to lessen the need for tripods and small tables and boxes in the vestibule. Tables will still be used on occasion as needed. You may have also noticed some beautiful small tables near the entrances to the sanctuary of our church. These arrived as surprise gifts from another talented woodworker.

Fr. Jim Telthorst

PARISH COUNCIL CHAIRMAN

Lisa Raglin 894-9976

WOW! Where has the time gone? It's already time to think about nominations for the 2010 Parish Council. By the time you read this, nominations will have taken place. For those of you getting a letter or phone call informing you of your nomination...PLEASE stop to give it serious consideration. Be proud of the fact that someone wants you to be a leader in your Church community. You don't need special credentials or a college diploma to do this! You just need a desire to continue to keep Mary Mother of the Church the special and unique parish that it already is, and just possibly make it even better! Think about that! Not only will you work closely with other members of the council; but you will share time with many other valuable parishioners that volunteer on the commissions themselves! You are NEVER working alone! And, if you can believe this, you will love your parish even more than before because you will understand her better! Do not let this wonderful opportunity pass you by!

SPOTLIGHT ON STEWARDSHIP

This month's spotlight is on two men who are very talented craftsmen. They are as generous as they are talented. They surprised us with the new bookcases and tables in our vestibules. Look on page 5 to find out who these two parishioners are.

PARISH COUNCIL VICE-CHAIRPERSON

Randy Howe 892-6396

I'd like to personally thank all of you who nominated yourselves to serve on our next Parish Council; and I pray that you will be open to attend the evening of discernment as we prepare to pick the 2010 Parish Council. We have been blessed to have had pastors who have valued the input of the members of our parish family. I remember fondly and in prayer the Redemptorists who founded Mary Mother and Fr. Ed who guided us for 19 years and now Fr. T. I pray that he will continue to be a faith-filled leader; and that the Holy Spirit will continue to bless our leaders.

I also praise God for another wonderful ACTS Retreat and the way the Spirit is working through this program in our parish.

PARISH COUNCIL SECRETARY

Bill Peters 845-8704

Highlights from Parish Council Meeting October 22, 2009

Members in attendance: Lisa Raglin, Randy Howe, Bill Peters, Pat Dean, Mary Jo Masterson, Craig Snavely, Mary Anne Howe, Sean Kennedy, Fr. T, Fr. Jim, Deacon Dick
Guests: Clare Ernst and Emily Wich

LITURGY: Beginning on the last weekend in October, the Offertory basket, that was previously carried down empty during the 11:15 Mass, will be filled from the collection baskets and carried down full.

AD/FIN: Fr. T will give a "State of the Parish" talk during the homily at all Masses on the weekend of November 1.

HEALTH: Craig requested that members of the Parish Council think about being trained in CPR/AED. Libby Long will make the same request of coaches.

EVANGELIZATION: Mary Jo raised a concern that Alpha is signing up many non-parishioners; and they would like to attract more from Mary Mother. It was suggested that we offer one session a year. It was also commented that evangelization is occurring.

YOUTH: Sean and Emily gave a presentation on the need of a permanent Youth meeting space, which will include remodeling a basement room in the Annex. The Youth group would do the work. The plans were approved.

DRE: Ed informed everyone that the date for Confirmation will be May 13, 2010.

OLD BUSINESS

SEMINARY CAMPAIGN: Fr. T will present the

Seminary Campaign during the weekend of November 14.

MAJOR FUND RAISER: The spring formal dinner/dance will be held sometime in April. Fr. T will arrange to have a small band (trio) play; he is part of this band.

DONUT SUNDAY: Schedules were available for anyone who had not received one yet. Pat Dean reminded everyone of the importance of focusing on the hosting commission.

NEW BUSINESS:

GOAL SETTING: Ed gave out Parish Council Goal Setting topics discussed at the P.C. Retreat. Members were asked to choose the top five topics to be addressed.

PARISH COUNCIL NOMINATION COMMITTEE:

The nomination process was discussed. Fr. T suggested a new selection process. Since the community likes being part of the selection process, the current format will continue. The Night of Discernment and the process of choosing the commissions for each member will be discussed further.

SEATING FOR DISABLED: Mary Anne mentioned a concern of there not being enough sturdy chairs in the disabled seating area. It was suggested that Hospitality Ministers monitor this to see if there is a need to address this further.

Fr. T mentioned a concern of some parishioners about the Swine Flu. The Center for Disease Control is in contact with the Archdiocese; and he will follow their advice.

PARISH NURSE

Libby Long & Laura Klages 894-1373

The **Good Samaritan Volunteer Driver Ministry** meets a need within our parish family. A training class for new volunteers will be held soon. The following was written by a parishioner who has needed this service and by a volunteer driver.

“Everybody wants to be independent. One never knows when a problem will bring that independence to an end. I am 86 years old. Six years ago I enjoyed teaching ceramics, quilting and sewing; but that ended because of macular degeneration which is causing blindness in both my eyes. I learned to use a computer and with the help of Zoom Text, which enlarges the print, I keep in touch with the outside world. To go out into the world, however, I do need help. The Good Samaritan Volunteer Drivers have taken me to the doctor and grocery shopping! Other volunteers have helped me with my computer problems and installed a phone! My “social” life has improved because the volunteers I meet are becoming my parish friends! I hope and pray I do not have to go into a nursing home. With the help of the volunteer drivers, maybe I won’t have to! Thank you so very much for offering this service!”

“Being part of the Good Samaritan Volunteer Driver Ministry has been a joy and blessing to me. The wonderful people I have driven to doctor appointments, chemo sessions, cardiac rehab and food shopping have become my friends. I treasure them. They have taught me not to complain about limitations I might have, because they are always so cheerful. When I see the true gratitude in their eyes as we hug and say “goodbye,” I often leave their homes with tears in my own eyes while uttering a prayer of thanksgiving to God for allowing me to be a small part in the lives of these precious people.”

If you would like to be a part of this ministry, please call the parish nurse office at 894-1373, ext. 206. It is our privilege to serve you!

THANK YOU!

A big **THANK YOU** to the Mary Mother parishioners and friends of Mary Mother who purchased a record **201** ENTERTAINMENT 2010 COUPON BOOKS. They say the Lord works in mysterious ways – in spite of both a bad economy and a price increase this year, sales increased by **80** books over last year’s total. Your loyalty and generosity helped raise a total of **\$2,030** for Mary Mother. For that we thank you. We also thank Charlotte and Linda in the parish office and Diana Piantanida for their help with this year’s sales.

LITURGY NOTES

Ken Barnes 894-1373

Recently, our community sang a familiar “Jesuit standard” called “**You Are Near,**” composed in the 1970’s by Dan Schutte. Originally, it began with the words: “**Yahweh, I know you are near...**” In *Breaking Bread*, it is **Song # 454**. Take a look at the notice at the bottom of the page.

It reads: “**a Vatican directive was issued specifying that ‘Yahweh’ may no longer be used or pronounced during liturgical celebrations.**” So, what’s up with that?

In a nutshell, here’s the story. When Moses encountered the Lord God on Mount Sinai, **God gave the name “I Am Who Am,”** describing someone who is beyond description. In Hebrew, God’s name is “Yahweh.” For an observant Jew, **this name of God became too sacred to say or even pronounce** in the context of common activities including prayer. Subsequently, God’s name began to appear as a **tetragrammaton, i.e., YHWH --- a name which can be written down, but not spoken.** Jewish tradition holds that **the correct pronunciation is known to only a select few people in each generation.** It is not generally known what the correct vowels are or what the exact pronunciation is. **Out of respect for this Jewish tradition, the Vatican has asked us to discontinue using this unpronounceable name for God in our Catholic liturgies.**

ATHLETICS

Mary Ann Daust 892-7452

Blessings to all this New Year and thank you for volunteering and helping our Children here at MM. You are all a gift to our children and youth. Please remember to read the bulletin for sport sign ups; also check out the Mary Mother Athletics website at <http://www.mmoc4u.org/> Click on Athletics.

PLEASE MARK YOUR CALENDAR WITH THIS DATE:

SATURDAY, MARCH 6th

This is the date of the **MARY MOTHER SPORTS TRIVIA NIGHT.**

Please keep the date on your calendar and pass the word to all the sport fans in your family and call all your sport friends to come and enjoy the night of Fun, Food, and Trivia. Follow the bulletin, website, and flyers for more information. We hope to see you there.

Just a thought to remember:

The people who make a difference in your life are not the ones with the most credentials, the most money, or the most awards. They are the ones who care. Thank you all for caring and volunteering for our children.

LITURGY COMMISSION

Mary Anne Howe 892-6396

Thank you for all the feedback on our Advent and Christmas liturgies. Remember that there are forms and a Liturgy comment box on the bookshelves in the church vestibule, behind the sacristy; and we always appreciate hearing from you.

The most noted comment was how much the quiet and peaceful gathering of the season was appreciated. We'd like to encourage each of us to be mindful of gathering into church and chapel in a prayerful and respectful silence. "Be still, and know that I Am God." (Psalm 46:10)

Our beautiful vestibule allows us to renew our relationships with our beloved Mary Mother family after Mass.

Your generosity in our Mary Ann Blankinship CD made it a great success. The Liturgy Commission presented Deacon Dick with a check for \$300.00.

Thank you for all the ways you add to worship at Mary Mother.

HEALTH MINISTRY

Craig Snavely 487-8995

Greetings to all as we manage to come out of the deep freeze and enjoy our January thaw! It's amazing how a change in temperature and a little bit of sunlight can change our ways of responding to our daily activities.

There are many ways our bodies go through the healing process, whether through exercise, good eating, taking our vitamins, and avoiding dangerous activities in which we can cause great bodily harm.

Another way in which our bodies go through the healing process is through the light. You might ask, "What light?" The Light of Jesus Christ! In the Gospel of John in the New Testament, scripture speaks of those who traveled in darkness not knowing the way of the Lord. Once the Lord became known to them, people were healed not only physically, but also mentally and took on a different outlook on their lives and of those around them!

Next time you are looking for a good book to read, consider picking up the Bible, reading and reflecting on Jesus, the Light of the world; He will give you good mental health!

SOCIAL COMMISSION

Susan Krieger 892-6167

Greetings, Lent begins soon and my prayer is that everyone take advantage of the various ways you can make it a more meaningful, spiritual time: "Little Black Book" daily scripture reading, Adoration, and Praying the Rosary are just a few examples.

We had a GREAT turnout for our Christmas Home Tour! Many thanks to the: Brutchers, Pfaffs, Sloans and Winds for graciously sharing their beautiful homes and decorations. Thanks also to all who attended the 25th Annual Poker Tournament!

UPCOMING:

'Sound of Music': February, 5, 6 and 7th by our very own parishioners! **Don't miss it !!**

THREE Lenten Fish Fries: February 19, March 5, and March 19, 2010. Hope to see you **at all three!**

****MAJOR FUND RAISING EVENT**:** Planning underway for a Dinner/Dance to be held in the Reilly Center on **Saturday, April 10th**. Mark your calendars! Musical entertainment by our very own Father "T" and a few of his musician friends. Watch for more details in upcoming Sunday Bulletins, flyers, etc.

Book Fair: May 14, 15 and 16, 2010. **REMINDER:** Start collecting and storing books, at home, for now.

CHRISTIAN SERVICE COMMISSION

Kim & Rich Blackford 845-9422

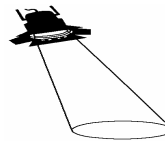

As I am writing, Martin Luther King Day is just around the corner. He is clearly one of our greatest examples of Christian Service. February is African American History Month. These events lead me to share with you a bit about a forum attended by one of our members, Helen Sloan. It was held at St. Francis Xavier "College" Church. Racism in St. Louis: the Challenge to People of Faith was part of *The Living Justice Speaker Series* taking place at the "College" Church. The keynote speaker, Dr. Terry Jones, Professor of Political Science at UMSL provide a historical perspective. A panel of 4 then provided information from their respective areas of expertise: Education, Housing, Employment and Criminal Justice. Opportunities to learn about and enjoy other cultures abound in our community and are easily found in the newspaper or a quick Google search. Two I recommend are performances at the Black Rep or the new exhibit on race at the History Museum in Forest Park. I hope you find one of interest and participate. Learning more about other cultures is the first step toward serving them and living as brothers and sisters in Christ.

CHRISTIAN FORMATION

Pat Dean 842-1887

WHAT HAPPENED TO JANUARY?!?!! Hard to believe we are already thinking of our Lenten preparations. Hope you will try to do something DIFFERENT to improve your relationship with the Lord. Here are two possibilities: 8-week *Adventure through the Bible*, giving an overview of the major episodes in Bible history from Genesis to Jesus. The cost is \$20 per person/couple.

6-week Scripture study (new): *Jesus, Man of Prayer*. Each session uses a small-group format (+/- 90 minutes), combining Scripture, prayer and faith sharing, and studies the thread of Jesus' prayer from His baptism to His death. Guidebook cost is \$7.

Those in the 24-week Bible Timeline continue their journey and should complete study before Easter. Speaking personally, it has been an awesome journey, but not easy.

One-time sign-ups for these programs will be the weekend of January 30, 31, so that we can order books. Call Pat Dean (842-1887) or Ed Lewandowski (894-1373) with questions, or to sign up by phone.

AND Stations of the Cross – Fridays at 3 PM. God be with you!

CITIZENS AGAINST PORNOGRAPHY

Carl Hendrickson 892-6451

KPLR-TV broadcasted a "Gossip Girl" segment featuring multiple teenagers in a sex scene as a "rite of passage." CAP members have complained to the Federal Communication Commission that this does not serve the public interest. If you are concerned, join with us.

PRO-LIFE

John Siesener 842-6408

In the 1960s and 1970s, a wave of feminist ideas was being sold, including that women needed to delay motherhood for career advancement. Many believed that motherhood and career did not mix. Some delayed marriage and childbirth into their thirties and forties and sacrificed their most fertile time for career and what they thought would be true happiness. Many believed unplanned pregnancies would interfere with career and chose abortion, only to realize they sacrificed their unborn child for their career. With over 50 million children lost to abortion, millions of women now have repressed feelings. Project Rachel (314-793-7451) provides free professional and confidential counseling, reconciliation and spiritual direction with compassion to individuals wounded by an abortion experience. Our next meeting is February 2nd at 6:30 p.m. in the Annex.

EVANGELIZATION COMMISSION

Mary Jo Masterson 843-7438

I am writing this during Christian Unity Week. It is a time when we are reminded that as followers of Christ, we all share in the mission of spreading His good news to others. It can be done from the pulpit or from the pew, by the church

leaders or just by ordinary people. That is the message of our successful Alpha program. Each day in so many ways, we all can be evangelizers for Christ! Try it. Here are some ways: make a new friend, offer a hug, call a lonely person, read to a child, give a compliment, respect others, lend a hand, celebrate the day, forgive mistakes, share a smile... Do one kind act each day, and share in spreading the good news

METROPOLITAN CONGREGATIONS UNITED ISAIAH

Ginny Schrappen 487-6584

The Gamaliel Foundation, which is the umbrella organization for Metropolitan Congregations United, and similar organizations throughout the world, recently held an International Leadership Assembly. Many topical issues were discussed: Institutional Racism; Health Care; Dues/Donations; Public Transportation and Expansion into other states.

The opening seminar was led by Rev. Dr. Forrest Harris, President of American Baptist College. He began his talk on Truth and Equity, both should be in the public square; but equity can't exist because truth is struggling in the streets. What must communities of moral discourse do in a climate of moral nihilism? Our national conscience reflects our Nation's downward spiral of consumerism and narcissism. All of us have some complicity in this struggle.

This situation is easy to interpret, but difficult to practice. We find ourselves falling backwards. Without humility – sense of who I am – we can't bring change and hope. Values of hope are deteriorating. Those who thirst for Justice want more for others and don't want any to suffer because of our excesses. The post racial climate still exists with Obama as President; all is not settled because one black man rose to the top.
